Schedule effective date: 07.26.2021
If you are ill, stay home. Your driver cannot offer a seat on the shuttle to anyone clearly displaying COVID-19 or other contagious disease symptoms.

Wear a mask per FTA/CDC mandate. You must wear a mask even if you feel healthy and even if you are vaccinated.

Make sure your mask fits properly. Your mask should fit snugly over the bridge of your nose and extend down under your chin, covering your mouth & nose completely.

In the morning, head to the shuttle stop located on Carter Street after you arrive at Waltham Center.

Arrive at least 5 minutes early to the shuttle waiting area. Give yourself plenty of time so that you don’t have to rush.

Do not eat or drink in waiting areas or on the shuttle. Eating or drinking would compromise your mask.

Minimize conversation in waiting areas and on the shuttle. Talking less & talking more quietly limit the production of the droplets & aerosols that spread the virus.

Do not approach the bus until the driver opens the door. Once the driver opens the door, approach the bus one at a time, and exercise patience to avoid crowding.

Inform the driver of your stop as you enter the vehicle. Quickly and safely take a seat after informing the driver of your destination.

Seat yourself wherever you would like. Head all the way to the back, snag a seat up front, or plop yourself anywhere in the middle.

Treat the driver and other passengers with courtesy and respect.

Do not put personal belongings on seats when those seats are needed by fellow riders and do not listen to audio without headphones.
