# PROCEDURES

**Contact us 24+ hours in advance if you need a wheelchair-accessible vehicle.**

**Stay home if you are sick** for the sake of everyone's health and wellbeing. Public transit is, by its nature, a shared space.

Unless required by current federal or state mandate: **Masks are not required but are strongly encouraged.** Please be respectful of others' mask choices.

**Arrive at your shuttle stop 5+ minutes before the scheduled departure time.** Give yourself plenty of time so that you don't have to rush. Shuttles will not wait for late riders.

**Double-check your approaching shuttle's destination sign** before attempting to board.

**Do not approach the bus until the driver opens the door.** Once the driver opens the door, approach the bus one at a time, and exercise patience to avoid crowding.

**Quickly and safely take a seat** after informing the driver of your destination.

**Do not put personal belongings on seats** when those seats are needed by fellow riders.

**Do not adjust marked vent windows.** These should remain cracked for ventilation.

**Use headphones when listening to audio.**

**Minimize conversations on the shuttle** and in shuttle waiting areas, especially over your mobile phone. Riders around you may wish to work or engage in other quiet activities.

**Do not eat on the shuttle.**

**Do not use foul language.** Foul language and/or inappropriate behavior will not be tolerated and may result in permanent loss of shuttle privileges.

**Do not bring pets.** Only registered services animals are allowed due to space and allergy concerns.

**Treat the driver and other passengers with courtesy and respect.**
